---

- Minimal design
- Folds back flush to screen or desk back edge
- Button release lift and lower mechanism
- Supplied with standard VESA 75/100 plate for screen fixing
- Quick release VESA plate fixing as standard
- VESA plate screen lock security mechanism
- Load tested by FIRA for screen weights up to 8kg
- Available with desk edge or screen/rail mounting options
- 400mm pole length

# DOUBLE MANUAL MONITOR ARM

£196.00  
+ VAT

## KEY FEATURES

---

- Double side by side option allows full individual screen adjustment
- Extra arm pivot located next to pole allows 2 users sharing a pole to move their own screen without affecting the other screen
- Double screen above and below option available on request
- Weight allowance up to 8kg per screen
- Supplied with a load spreader plate as standard

# SINGLE GAS LIFT MONITOR ARM

## KEY FEATURES

---

- Versatile and easy to use
- An integral gas spring counterbalances the weight of the screen allowing fingertip adjustment to desired position
- The dual position forearm can be set at 15 or 45 degree positions to extend the operational range of the arm
- The arm can fold flat into 80mm of space
- The tilt & rotate head features a quick release mechanism
- Supplied with industry-standard VESA 75/100 adaptor plate
- Integral cable management system
- Includes standard desk mount kit for desk edge or through desk mounting
- Suitable for screen weights up to 10kg

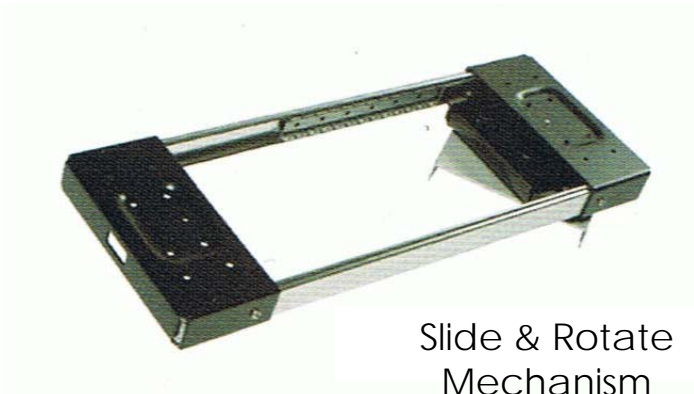

# CPU HOLDER

CPU maximum height 420mm  
CPU maximum width 190mm

## KEY FEATURES

- Slim and simple to install

- Extender plate available for larger CPU's
- CPU sits on a metal platform and is secured with a strap
- Optional slide and rotate mechanism
- Slide and rotate mechanism requires desk width of minimum 700mm (track length 450mm)
- FIRA loaded tested

Slide & Rotate  
Mechanism

### CPU Holder with Slide & Rotate Mechanism

£72.00  
+ VAT

# REACTIVE INFLATABLE LUMBAR SUPPORT

£52.00  
+ VAT

The Reactive Inflatable Lumbar Support has 3 interactive cells that allow air to flow to and from each other. This provides a back support that actively moulds to the shape of your back and enhances your comfort level.

The cushion is covered in Velvetine fabric with a memory foam layer and is attached to your chair with a fully adjustable webbing strap. The pump tubing can be cut to desired length.

Available in the following colours :

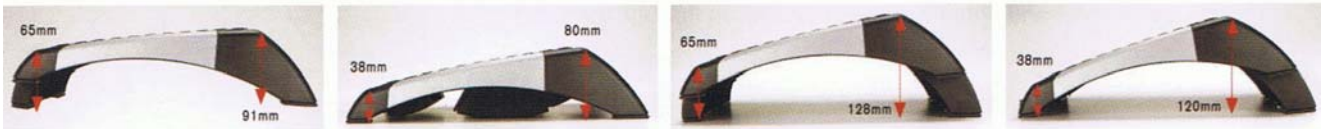

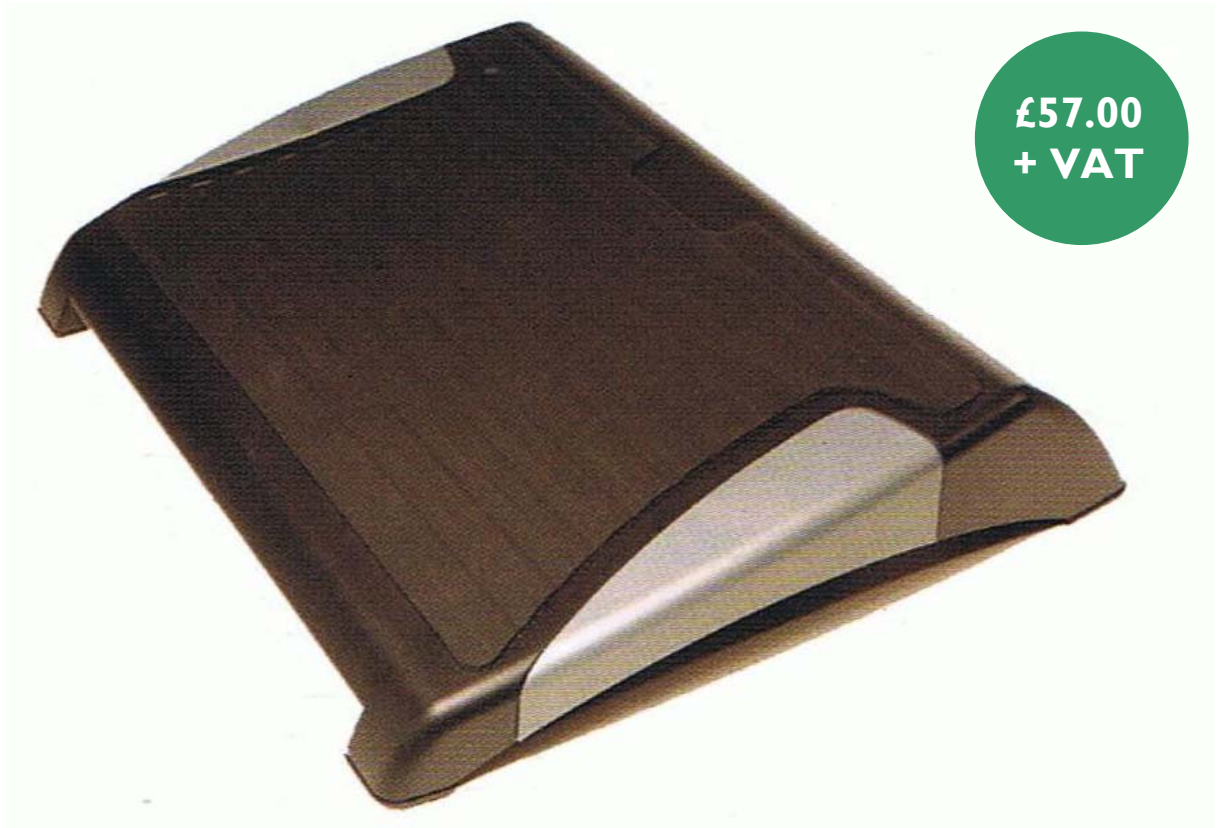

OCELOT  
(Turquoise)

HYENA  
(Red)

PLATYPUS  
(Pale Grey)

BUFFALO  
(Black)
